Quiz del abecedario

- Pick up one of the recorders and write your name on the list next of the number of the recorder.
- To operate the recorder:
 - Make sure the recorder is on. It should show a square on the left corner.
 - To record, press the red button until you see a little red light on top. This means you are recording. Say your name and begin your assessment.
 - To stop, just press stop (the button with the square). **DO NOT TRY TO DELETE WHAT YOU RECORDED!!!!** If you make a mistake, just stop the recorder and press the red button again. State your name again and say “take 2”. I will only assess two takes so don’t record more than that...

The use of Tú and Usted

- **Tú** and **Usted** mean the same thing: **YOU**
- This **YOU** is **singular**, not as a group.
 - Ex: YOU Mary not YOU GUYS
- **Tú** is the informal version, meaning the way you talk to your brother, friend or someone your age. It is very familiar!
- **Usted** is used when we talk to an adult, an elderly person or someone with a higher rank. It is formal!
