

# NEW UNIT: LA ESCUELA

- In this Unit we are going to study about school, classes and how to describe your daily life in school.

# Traduce

- Hello! I am Beatriz and I am an excellent student at (in) CCA. In my third period I have my favorite class: Math with Mrs. Wallis. Mrs. Wallis is very organized and teaches very well. For the class I need a notebook, pencils and pens, a calculator, a ruler and my book. The class is difficult but I answer all her (sus) questions. I like Math!

# Proyecto: ¿Cómo es mi escuela?

- Writing: DUE DATE 29 de marzo
- Speaking: DUE DATE 27 de marzo
  - ▣ You will create a presentation in which you will present and describe each one of your classes. In the presentation you need to describe your classes, your teacher, what do you need for your class, what you must do in the class and what it is prohibited and finally, if you like the class or not.
  - ▣ The speaking assignment needs to be in a power point with voice format, a video, an anime, etc.
  - ▣ The writing assignment needs to be typed, in paragraph format.

# Practica: La clase ridícula

- ▶ Practice giving a set of 10 ridiculous rules: 5 for “Hay que...” and 5 for “Se prohíbe”.
