Taylor **está triste.** ¡Qué lastima!

Notes: Culture: Panamá Page 41

Panamá

- Small country located on an “isthmus” that joins the Pacific and Atlantic Oceans.
- A country of many cultures: Spanish, Chinese, African, Hindu and indigenous.
- Panama is the largest “financial center” of Latin America.
- Panama is the home of the famous “Panama Canal”, which was built by the Americans during T. Roosevelt government and was finished by 1914. The canal has been “panameño” since 1999. Is considered a “neutral international water way”. Panama and the US defend the canal.
- The currency of Panama is the DOLLAR, since they deal with so many international buisenesses.
- People from Panama are called **“panameños”**.
