Pelotazo...

- ▶ Students stand in a circle. Start the game by saying an infinitive and tossing the ball to any student. The student must say the **yo** form of that verb and toss the ball at random to another student, who must say the **tú** form of the same verb, and so on until a verb is completely conjugated. If a student does not say a form correctly, he or she takes a seat and conjugates all forms of the same verb on a piece of paper. Once the student is done, he or she can come back to the circle and continue playing.
- ▶ Once a verb is conjugated in every tense that we are studying (present or past) form, we will call out another infinitive for students to conjugate.
