- ▶ Hello! My name is Carla and I have a big family. My parents are from Santiago but me and my brothers, we are from the United States. We live in a small city in the State of Georgia. My brothers are Juan and Felipe. Felipe is 25 and Juan is 18. They are my older brother. They like the same things (cosas): to play sports and to study. Felipe attends classes at the University and Juan finishes High School this year. In my family, we eat late in the afternoon. We also travel every summer. I love my family!
