- Set all of the cards face down, and take turns turning over two cards at a time, trying to match an image with its corresponding description. If you make a match, you may keep the pair, but if not, you must put the cards face-down again. You must rely on your memories to strategize and keep track of the position of the different cards. If you make a match, you may go again, but if not, it is the next person's turn. The one that ends with more pairs, wins!!! 1 FICHA

 - I like school. My favorite class is Spanish class. It is interesting but difficult. I have the class every day. There is a white board and twenty six desks. The teacher is Sra. Teixeira. She is short, funny and super intelligent. In the class I have homework. I need (necesito) a pen, a marker, a notebook, a backpack, a book and a marker.
