Guatemala P. 21

- Let's take notes

Guatemala

- Guatemala is a country of mountains, volcanoes, and jungles.
- The capital of Guatemala is Guatemala City. Antigua used to be the capital until 1776 when it was destroyed by an earthquake.
- In Lake Atitlán, there are three majestic volcanoes: San Pedro, Tolimán, Atitlán.
- The town of Antigua is an example of old architecture.
- Towns like Chichicastenango, where the majority of the people are still Mayans or descendents of Mayans takes us back to the Pre-Columbian times.
- The Mayans in Guatemala prosper for two thousand years. Their decline has never been known.
