# TALKING ABOUT MONEY... P. 20

× Let's talk about currencies: DINERO.

# DINERO!!!= MONEY

---

- × Spain uses the EURO as currency.
- × In Latin America, the most common currency is the PESO. El PESO is called this way because during the colonization, the Spanish used to trade silver and gold coins called “pieces of eight” and they had to **weigh the goods.**

**WEIGHT=PESO.** The SILVER is called PLATA.

Today the term PLATA is the equivalent of  
**DINERO**

# CONTINUE

---

- ✘ In Venezuela, the currency is called BOLIVAR, named after SIMON BOLIVAR, The Liberator. He helped South America achieved their Independence from Spain.
- ✘ In Guatemala, the currency is the **quetzal**, named after their national bird.
- ✘ Panama uses the DOLLAR as currency because their international trade that happens in the Panama Canal.

# LET'S WORK ON YOUR PROJECT...

---
